## Transforming lives one smile at a time

Dr. Mark Kwon and his dental team at Chrysalis Centre of Vancouver Implant Dentists are dedicated in providing you the highest quality of personalized dental care. At Chrysalis Centre of Vancouver Implant Dentists they specialize in "All-on-4 and Teeth-in-a-day" dental implant placement. Whether it be a single tooth, multiple teeth, or a full arch we provide a permanent and aesthetically-satisfying solution for your dental restoration.

Whether you are missing one tooth or multiple teeth, losing such a crucial part of your body can be a traumatic experience. Chrysalis, offers personalized solutions including our speciality All-on-4 Teeth-in-a-day so one could regain their confidence with beautiful non-removal teeth.

Our mission is to assist you through a fast and smooth procedure of teeth

replacement so you can go back to your normal life in just a few days. Yes, we can help!

### Do you have bad teeth or ill-fitting dentures?

All-on-4 is our immediate solution for people who are wearing dentures or who are concerned about wearing dentures because of their bad teeth. The

*"All-on-4 treatment gives you the ultimate support and the security you've always wanted."*

All-on-4 clinical solution has been developed to maximize the use of available bone and to allow for Immediate Function™.

Best of all, All-on-4 treatment gives you the ultimate support and the security you've always wanted. From this day on, you will never have to worry about being without your teeth. You no longer have to take teeth out of your mouth again.

With All-on-4 concept now you can replace missing teeth with permanent dental implants – easily, quickly, and comfortably. This amazing treatment option enables you to leave our office with fully functioning new teeth after just one treatment!

Dr. Kwon believes in giving back to the dentistry community. He established the BITES Institute, an Implant Training Institute providing surgical and prosthetic training courses and monthly study clubs to local general dentists in the field of implant dentistry.

And in 2010, he donated \$250,000 to the Faculty of Dentistry of University of British Columbia for renovating the student lounge. Therefore, the student lounge is named as "Chrysalis Student Lounge".
